

Introducing a New Way to Show You Care...

Dear Supporter,

These days, you can purchase almost anything online. Talk about convenience! However, did you know that **you can now support our organization and help us continue our work**, simply by shopping online through www.shopandshare.ca? That's right – YOU choose WHAT you want to buy & YOU choose WHEN you want to buy it.

'Shop and Share.ca' has partnered with many big-name stores to bring you the best deals around, quality products, and exceptional value. The prices are the same, the quality is the same, everything is the same – except that **'Shop and Share.ca' will donate a generous portion of the proceeds from each and every purchase you make all year long.**

'Shop and Share.ca' has worked hard to make sure you have access to all the products you know and love, as well as new ones you may not have tried yet. Here is just a sample of some of the companies they've partnered with so far:

This is your chance to make a difference in your community & show that you care. Every purchase generates automatic donations and every little bit helps!

There are NO fees & NO pressure to sign up for anything. Simply go to www.shopandshare.ca today to start shopping and show your support!

With appreciation,
