Returning Student Registration for 2020-21 – CLOSING FEBRUARY 29th

Dear Elk Island Public Schools families:

The [returning student registration process](#) for the 2020-21 school year is now open. All returning students are required to complete the process. The process allows families to indicate the school their child plans to attend in the upcoming year, apply to attend a non-designated school and request student transportation. To complete the returning student registration form for your child, you must have a [PowerSchool Parent Portal](#) account set up.

- If you *DO* have a PowerSchool Parent Portal account set up, you're good to go. On February 1, you'll receive an email from the Division notifying you the returning student registration process is open with step-by-step instructions.
- If you *DO NOT* have a PowerSchool Parent Portal account, you need to create one **before February 1**. It's easy to set up an account. Simply follow the instructions in the link below or talk to your school for help. [Create a PowerSchool Parent Portal account](#)

Kudos

To Mrs. Jones for assisting junior high students with their option changes.

To Mrs. Edmundson & Mrs. Mahoney for coordinating the Div. II ski trip.

To our parents and School Council for the staff appreciation luncheon this past week. A wonderful array of food was enjoyed by staff!

A Final Thought...

“ Do your little bit of
good where you are; it’s
those little bits of good put
together that overwhelm
the world. ”

- Desmond Tutu

Enjoy your long weekend. ~ Brad
