Dear Parents/Guardians of Grade 9 Students,

As the end of our year is quickly approaching so is the preparation for our final reviews and exams. We would like to provide the opportunity to our grade nine students to purchase a study guide(s) for the core subjects of Language Arts, Mathematics, Science and Social Studies from the Castlerock Research Corp. called *The Key Study Guides*. Purchasing of one or all of the Study Guides is optional.

The Study Guides contain Table of Correlations, Concept Review and Questions and Solutions Sections of the most current Alberta curriculum.

The Key Study Guide does provide an excellent opportunity to review and to also practice the type of questions that will be on their Provincial Achievement Final Exams and some students may not have access to 'user friendly' internet use for review materials at www.exambank.com
